SC No 27

Sir,

With reference to Government Order No.4355-57/Ed110 dated 9th September 1901 postponing consideration of the question of transferrin the Superintendent of the Central College Hostel to the permanent Staff of the College till receipt of the report on the working of the Hostel for the 12 months ending 30th June 1902, I have the honour to submit that, as the period for which Mr.Venkatadasappa's services were lent expires on 25th May, the terms on which his appointment i to be made permanent must be settled before that date.

The last paragraph of Mr.Cook'sreport dated 20th August 1901 on the working of the Central College Hostel for the ~~for the~~ six months ending 31st July 1901 runs as follows -

"In any case it appears to me that the Hostel should be regarde as an integral part of the whole Institution, the Central College, and that in accordance with the general practice in other parts of India, the Superintendent should be regarded as one of the regular staff, and successful superintendence of such a Hostel regarded as r less valuable than class-tuition and therefore worthy of liberal remuneration. The responsibility of watching the health and moral conduct as well as the housing and feeding of such a large fraction of the young college students cannot be over-estimated, and if the present Superintendent proves as trustworhty and satisfactory as I have every reason to anticipate, I trust that the Government will be disposed to agree with my proposal that at the end of his year's probation he may be transferred to the regular Staff of the College and paid more liberally than he is at present."

To this it has to be added that when Mr Cook went on furlough, his anticipation that Mr.Venkatadasappa would discharge the duties of Superintendent in a thoroughly satisfactory manner had been fully confirmed.

As I concur in MrCook's opinion of the importance of the post of Hostel Superintendent and of Mr.Venkatadasappa's fitness for it, I have the honour to recommend that at the end of his year's probation, he be confirmed in his appointment, that he be placed on the graded list of the Educational Service of Mysore as from 26th May 1901, and that his pay be Rs100 per mensem from 26th May 1902.

I have the honour to be,
Sir,
Your most obedient servant,

Ag. Principal.
